Affiliate Disclosure Form

If you checked an Affiliate of another SPEC member company, please complete this form.

As an Affiliate of another SPEC member company, I/we have indicated per SPEC's Bylaws, Section 2.1.1 (below), I/we have the following affiliates who are currently members of the SPEC group(s) we seek to join. I/We indicated which Primary contact will serve as the designated voting representative for the set of affiliates of which I/we hold membership.

Section 2.1.1 Affiliate Membership and Voting Rights

An Affiliate of a Member shall be free to join the Corporation as a Member. However, a Member and its Affiliate(s) (including Affiliate(s) of an Affiliate) shall be deemed a single Member for purposes of (1) any vote of the Members of a designated Group, Committee, Work Group, or any other sub-group of the Corporation where they otherwise participate as peers; and (2) having a seat on the Board of Directors.

"Affiliate" means any legal entity that directly or indirectly controls another entity via beneficial ownership of more than fifty percent (50%) of voting power or equity in another entity ("Control"), or is Controlled by another entity or is under common Control with another entity, so long as such Control exists. Note: The term affiliate is only used when the specific entities (members or prospective members) under discussion have such a relationship between them as described in this definition.

When a Member and its Affiliate(s) would have or appear to have two or more votes on a matter within a Group, Committee, Work Group, or other sub-group if they were not affiliates, the Member and its Affiliate(s) shall designate a single voting representative in a written notice to the Board of Directors and to the relevant group or committee Chairperson.

The designated voting representative shall be responsible for resolving any disagreements among the Member and its Affiliate(s) and submitting a single vote on behalf of the Member and its Affiliate(s).
